

## A. CHRISTMANN GIMMELDINGEN MEERSPINNE RIESLING

Region	Soil	Elevation	Alcohol
Pfalz	Red sandstone and loess on limestone	149-165 m	12%

**Vineyard** Meerspinne

**Grape Varieties** Riesling

**Vinification** The grapes are 100% selectively hand-harvested into small boxes and then undergo spontaneous fermentation in large wooden barrels.

**Age of Vines** 25-45 years

**Tasting Notes** Harmonious blend of fruit and minerality, maintaining equilibrium from start to finish. The nose reveals a bouquet of florals and spices, with hints of straw, meadow herbs, and white flowers. On the palate, flavors of Amalfi lemons, mint, and blood orange intermingle, guided by precise acidity and underpinned by a saline limestone minerality.
