Grape Varieties 100% Sangiovese Grosso

Vinification Harvested by hand, optical sorting on vibrating selection table. Natural fermentation in 50 HL wooden barrels in our gravity-fed cellar. 38 months aging in traditional large Slavonian “botti”.

Age of Vines 10-45 years

Tasting Notes The color is a beautiful deep ruby with garnet hues. The 2013 has a complex nose; an initial basket of red berries and fruit, and with time in the glass, a slow motion aroma explosion, passing from a Christmassy bouquet to notes of eucalyptus and caramel, licorice and leather. The acidity is juicy and fresh, the wine well balanced and harmonious. An impressive mouth-feel with a reassuring firm tannic structure and very promising finish with distinctive flinty minerality.
