

2022 BORDÓN DRY WHITE

Region	Soil	Elevation	Alcohol
Rioja	Various	1300 ft above sea level	12.5%

Grape Varieties 100% Viura

Vinification The must is extracted and fermented in stainless-steel tanks at a controlled temperature of 16 °C, which allows us to intensify the fruity aromas of the grape variety.

Aging Aged in stainless steel.

Tasting Notes Brilliant pale yellow in colour, with an intensely fruity bouquet that makes it an ideal single-variety wine. Very clean and expressive in the mouth, and extremely light on the palate.

Bordón

I'll confess: I'm tired
of all the trends,
labels, and posing.

Descaradamente
— clásico

I'm not going to
apologize for who
I am; a Rioja classic
with over 125 years
to my name.

Te confesaré
algo, estoy harto de
modas, de etiquetas
y postueros.

No me disculpo por
ser quien soy.

Un clásico de Rioja
con más de 125 años
de historia.
