

FORTEMASSO

BAROLO D.O.C.G. DEL COMUNE DI MONFORTE D'ALBA

This is the Barolo del Comune di Monforte d'Alba 2021, the product of a choice made using both head and heart: the head, because we are convinced that the Barolo a Denominazione Comunale is a magnificent first step towards embracing the typical features of the municipality where the grapes are grown; the heart, because we wanted to make the most of the middle part of our Castelletto vineyard, where the sand that characterises this MGA starts giving way to soils similar to those of Serralunga d'Alba, with less sandstone and more silt. The result is an outstanding Barolo, aged for 24 months in big barrels, characterised by the aromas that characterise this municipality: red fruit and balsamic notes, with evident traces of incense, merge with the freshness of the area north of Monforte to give life to a contemporary Barolo that is perfect by the glass.

TASTING NOTES

Medium intensity ruby red with slight garnet highlights. Clear, broad with fruity notes of plum and cherry, as well as vanilla and light floral notes of rose. Harmonious, full, and savoury, with a persistent finish reminiscent of the cherry in the bouquet.
